Amended Rule 503

Rule 503. Multiple Charges under These Rules

- (a) Amount of Bail-Hearing Date. Police officers should refrain from issuing multiple citations for offenses arising out of the same occurrence. A person arrested and charged with more than one offense arising out of the same occurrence when the bail is established for each such offense under Rule 526, 527 or 528 shall be released from custody as follows:
 - (1) If bail for each such offense is established by Rule 526, and the accused is eligible for release on each charge by a promise to comply pursuant to section 6-308 of the Illinois Vehicle Code, as amended (625 ILCS 5/6-308), no court appearance shall be required if all such charges are satisfied under Rule 529.
 - (2) In all other cases, the accused shall be released from custody after posting bail on the charge for which the highest bail is required, and, except as provided below, a court

appearance shall be required on each charge. Whether a court appearance will be required for any other offenses charged at the same time as an offense requiring bail under Rule 526(b)(1) will be determined without regard to such truck violations. A separate bail shall be required for each case involving truck violations under Rule 526(b)(1) or similar municipal ordinances, and all such charges may be satisfied without a court appearance, if all such charges are satisfied under Rule 53129.

- (3) No court appearance shall be required under this rule where all charges are traffic and conservation offenses which may be satisfied without a court appearance under Rules 529, 530, or 531 and the accused elects to post separate cash bail on each such charge.
- (4) No court appearance shall be required under this rule where all charges are traffic offenses which may be satisfied without a court appearance under Rule 529, the separate bails required for all such charges do not exceed \$500, and the accused has deposited an approved bond certificate in lieu of bail; in such event, if the accused does not appear on the date set for appearance, or any date to which the case(s) may be continued, it shall be presumed he or she has elected to post separate bails and consented to the entry of ex parte judgment on each such charge (see Rule 556(b)).

All such charges, whenever practicable, should be set for hearing on the same day in the same court, to be disposed of at the same time (see Rule 501(b) for definition of "Cash Bail").

(b) New Bail—Application of Bail and Return of Balance. After final disposition of a charge for which bail was posted, the court shall set new bail in a single amount to cover any concurrent charges which may be continued for further hearing at a future date. The clerk may apply any cash or security originally posted as bail to payment of any fine, penalties, assessments, and costs due on the charge for which bail was originally posted or any other charge disposed of at the same time, but shall return any remaining balance to the accused and shall not retain the balance to apply, in whole or in part, to any new bail set by the court, without the consent of the accused.

Committee Comments (December 5, 2003)

Under present Supreme Court Rule 529 (Fines, Penalties and Costs on Written Pleas of Guilty in Minor Traffic and Conservation Offenses), cash bail is distributed on pleas of guilty, where a court appearance is not required, by deducting applicable costs, including clerk's fees (705 ILCS 105/27/1a, 27.2 or 27.2a, as the case may be), Automation Fee (705 ILCS 105/27.3a), Document Storage Fee (705 ILCS 105/27.3c) and Fee to Finance the Court System (55 ILCS 5/5-110). The balance is then distributed by the clerk to the Traffic and Criminal Conviction Surcharge (TCCS) and LEADS Maintenance Fund (730 ILCS 5/5-9-1(c)), Driver's Education Fund (Driver's Ed) (625 ILCS 5/16-104a), Violent Crime Assistance Fund (VCVA) (725 ILCS 240/10(b)) (VCVA is not assessed in speeding violation cases), Trauma Center Fund (625 ILCS 5/16-104(b)), if applicable, and the entity entitled to receive the fine.

The proposed amendments to Rules 529(a) and 529(b) would exclude electronic pleas and eliminate itemized distribution by the clerk of the funds noted above and, instead, after first deducting the Automation Fee and Document Storage Fee, distribute the bail for traffic offenses along the present line of section 27.6 of the Clerk's of Court Act (705 ILCS 105/27.6) in the

following percentages: 44.5% to the entity entitled to receive the fine, 38.675% to the county's general fund, and 16.825% to the state Treasurer. Under Rule 529(b), since conservation offenses are not included under section 27.6, bail would be distributed as follows: 67% to the entity entitled to receive the fine, 16.175% to the county's general fund, and 16.825% to the state Treasurer, which is similar to the current disbursal of these amounts.

The \$5 Fee to Finance the Court System (55 ILCS 5/5-1101) is distributed to the county's general fund under the present rule on an itemized basis, and would be included in the 38.675% disbursed to the county's general fund under proposed amended Rule 529(a).

The Court Security Fee (55 ILCS 5/5-1103) is not included either in present Rule 529, or the proposed amendment, since the statute requires a court appearance by the violator before the assessment of this fee.

By way of background, the percentage distribution formula under 705 ILCS 105/27.6 became effective on January 1, 1993, and has been adopted for the assessment off fines, fees, costs and forfeitures in 10 counties throughout the state, including Cook County, for violations of the Vehicle Code.

Supreme Court Rule 526 (Bail Schedules-Traffic Offenses), Rule 527 (Bail Schedule-Conservation Offenses) and Rule 529 (Fines, Penalties and Costs on Written Pleas of Guilty in Minor Traffic and Conservation Offenses), among others, were amended on June 12, 1992, effective July 1, 1992, increasing bail in minor traffic cases from \$50 to \$75 and from \$75 to \$95 since the amount of fines received by the municipalities was being reduced by legislative "addons."

The committee does not believe Supreme Court Rule 529, in its present form, provides adequate direction to the circuit clerks in the distribution of funds under this rule. For instance, a problem arises in the calculation of the TCCS/LEADS Fund which requires the court to assess an additional penalty of \$5 for each \$40, or fraction thereof, of fine imposed, and the Driver's Ed Fund and VCVA, which requires the court to assess an additional penalty of \$4 for each \$40, or fraction thereof, of fine imposed. This, by necessity, involves the use of a multiplier. To arrive at the multiplier, the clerk must divide the fine by 40 when a fine plus costs is assessed, or follow the method prescribed under 730 ILCS 5/5-9-1(c) (TCCS/LEADS Maintenance Fund), 725 ILCS 240/10(b) (VCVA) and 625 ILCS 5/16-104a (Driver's Ed) when the court levies "a gross amount for fine, costs, fees and penalties." The committee concluded that an assessment under Rule 529 was not a "levy of a gross amount."

Under the current rule, the fine is represented as the "balance of the bail," and is the amount remaining after deducting various costs and fees. Therefore, since the court has not assessed a specific fine, the clerk has no exact amount to divide by 40 and is left to reach his or her own conclusion as the correct multiplier. In certain instances if the clerk computes these additional penalties with a multiplier of 1, it results in a fine which is greater that \$40; if a multiple of 2 is used, it results in a fine of less than \$40.

Chief Justice Benjamin K. Miller, in the Supreme Court's Annual Report to the Legislature dated January 31, 1991, discussed the "plethora of user fees and surcharges enacted by the General Assembly," then concluded that "[t]he complexity of the structure of various charges is such that they are not uniform, and are confusing. It has been impossible for the court system to apply the charge in a consistent and coherent manner."

The Article V Committee agrees, and in order to enhance uniformity and consistency throughout the state in the disbursement of fines, costs, penalties and forfeitures under Rule 529, it recommends a percentage disbursal of funds upon pleas of guilty in traffic and conservation cases which are satisfied without a court appearance by the violator. The committee believes this disbursal, which would be made monthly to all entities, would be fair to all concerned, increase the efficiency of the clerks, and substantially reduce the possibility of error.

As an example of the continuing dilemma facing the circuit clerks, Public Act 93-32, effective June 20, 2003, directs that an "additional penalty of \$4.00 shall be assessed by the court imposing a fine (upon a plea or finding of guilty in all traffic, criminal, conservation and local ordinance cases)." The funds are to be remitted by the circuit clerk to the state Treasurer and deposited in the Traffic and Criminal Surcharge Fund. The committee concluded the additional penalty under this act could not be collected or distributed under Rules 529 and 556 since the total amount of bail was already exhausted by other fines, fees and costs, and the act itself provides that the additional penalty "shall not reduce or affect the distribution of any other fine, costs, fees and penalties." The committee felt the only way to obtain the funds required under Public Act 93-32 would be: (1) order the offender to appear in court for the assessment of the \$4 additional penalty, or (2) increase the amount of bail under Rule 526. It considered the first option to be counterproductive. As to the second option, the committee noted Justice Heiple's dissent when bail was increased under Rule 526 in 1992. In his dissent, he stated, "[W]hile the original purpose of enacting and enforcing highway traffic laws was public safety, this purpose has, in substantial measure, given way to the purpose of earning bounty revenues of government. Any bail figure, to the extent it exceeds the amount necessary to insure the presence of the defendant in court, isn a misuse and abuse of the bail process." The committee, after discussion, is not recommending the increase of bail under Rules 526 and 527.

The committee was also concerned about the 10 counties which distribute gross fines and costs pursuant to 705 ILCS 105/27.6, since this distribution would include money collected by the circuit clerk as a result of forfeiture of bonds, *ex parte* judgments or guilty pleas pursuant to Rule 529. Public Act 93-32 directs the court to assess an additional penalty; section 27.6 provides that "(f) or offenses subject to this section, judges shall impose one total sum of money payable for violations. The circuit clerk may add on no additional amounts except for amounts that are required by Sections 27.3a and 27.3c of this Act." The inconsistency between the two acts places the circuit clerks in a quandary, particularly in those counties operating under section 27.6.

The committee has recommended the circuit clerks be given a clear and definite direction concerning distribution of funds under this rule and believes the proposed amendment would provide that direction.

Committee Comments (December 10, 2018)

Effective January 1, 2019, Rule 501(g) no longer requires that a promise to comply be written.

(June 8, 2018)

"For a fine only offense where the minimum statutory fine is greater than the cash bail amount, the fines, penalties, and costs assessed shall be equal to the minimum statutory fine in whole dollars" language was added to eliminate conflicts between bail amounts that are not equal to minimum statutory fines; if a prosecuting agency agrees to an *ex parte* judgment, defendants are being assessed widely differing fine amounts. For example, violations of operating without insurance (625 ILCS 5/3-707) require bail of \$2000 under Rule 526(d). However, the statute states "a person shall be required to pay a fine in excess of \$500, but not more than \$1,000." Defendants were being assessed fines in various amounts, and in some cases, defendants that did not appear in court and the court entered an *ex parte* judgment paid a lower fine than a defendant that appeared in court as required by the Rule. A variety of fine amounts were being assessed, such as: a fine of \$200 (10% of the bail amount), a fine of \$500.01 or \$501 under statute, a fine of \$1000 under statute, or a fine of \$2,000—the full bail amount under Rule 526(d). These amendments are meant to eliminate varying fine amounts being assessed to defendants. When the minimum statutory fine is "in excess of" or "more than" a specified amount, the court should assess the fine to the next whole dollar amount.

(December 5, 2003)

Supreme Court Rule 556 ("Procedure if Defendant Fails to Appear") delineates several procedures if the defendant fails to appear after depositing a driver's license in lieu of bond, executes a written promise to comply, posts bond or issued a notice to appear.

The rule provided that the court may "enter an ex parte judgment of conviction against any

accused charged with an offense punishable by a fine only and in so doing shall assess fines, penalties and costs in an amount not to exceed the cash bail required by this article." Rule 556 does not detail the specific costs and penalties, or their amounts, in the entry of *ex parte* judgments. The clerk is then left with deciding which costs, fees and additional penalties (and their amounts) should be applied. This is currently being determined on a county by county basis.

The committee concluded that distribution under Rule 556 was not a "levy of a gross amount." See Rule 529, Committee Comments.

The committee believes that consistency and uniformity in disbursing funds from *ex parte* judgments was of the utmost importance in the efficient administration of justice and recommends that the fines, penalties, and costs assessed be equal to bail, and the distribution of those amounts should be pursuant to Supreme Court Rule 529(a). The State's Attorney fee, if any, would be included within the county's 38.675% distribution.
